

**Course Approval Instructions for students in the College of Media
(Including Special Notes for 299 Advisors)**

Students: Make sure that you have the instruction sheet that corresponds to your college of enrollment. Note that you must follow the instructions that correspond to the college **to which you belong DURING your study abroad term(s)**.

Please keep in mind that Study Abroad students shall be considered full-time for academic purposes at the University when they are enrolled for at least the minimum full-time academic load as defined by the international institution. However, federal regulations require that students must take and transfer back 12 or more University of Illinois at Urbana-Champaign hours to be considered full-time for financial aid purposes.

A. Complete the information that is requested on the top portion of the form. **The Course Approval Summary Form will not be processed unless this information is completed.** Type or print all information.

B. Instructions for completing columns. Please follow instructions in order:

Column #1 (completed by the student) – List the titles of the courses offered at the institution abroad. *You may find information on course offerings for your particular term(s) abroad on the host institution’s website, the Study Abroad Office website, a course catalog or a combination of these resources*. (**NOTE: It is important that you list the courses in the exact wording used by the host institution, including the subject and number of the course abroad [if available] e.g., AUST 2022 Australian Studies**).

Column #2 (completed by the student) – Check the Study Abroad Office’s *Course Approval Database* to see if your courses have received previous approval:

<http://studyabroad.uiuc.edu/userfiles/pages/coursedb.aspx>.

A. If the course has already been approved, print it out, mark “Y” in Column #2, and attach the printout to the Course Approval Summary Form.

B. If the course is not in the Database, or you wish to seek approval in a subject area other than what is already approved, mark “N” in Column #2.

Column #3 (completed by the 299 Advisor in the College of Media) – Indicate in this column if the student is taking ALL of the courses for a grade or for credit/no credit. If the student is taking course towards specific major, gen ed, or minor requirements the courses must be taken for a grade. If any of the courses are meeting a requirement for a minor, the student must have an “Intent to Declare a Minor” form on file with the College of Media Student Services Center before study abroad courses can be approved for the student’s minor and all of the courses must be taken for a grade.

Students may change their credit declaration post-departure for their program up until the mid-point of semester. It is recommended that any changes be discussed with a Media advisor prior to submitting credit change request.

Column #4 –

A. (completed by the student) For those courses found in the *Course Approval Database*, please attach the database printout and write “see attached” in Column #4. Skip Columns #5, 6, 7, and 8, and go to Column #9.

(completed by 299 Advisor) For those courses not found in the *Course Approval Database*, or for those courses for which the student wishes to seek approval in a new subject area, the 299 Advisor in the corresponding subject area will fill out Column #4 based on information provided by the student.
